2. For this "California" section of Annex 4 only, "42Gears Services" means the suite of unified endpoint management tools and products available for 42Gears Customers to use, including without limitation, SureMDM, SureFox etc. and other related support services made available through the 42Gears, as may be further described in the App and/or on the 42Gears Site.

   For this "California" section of Annex 3 only, "Permitted Purposes" shall include processing Customer Data only for the purposes described in this DPA and in accordance with Customer's documented lawful instructions as set forth in this DPA, as necessary to comply with applicable law, as otherwise agreed in writing, including, without limitation, in the Agreement, or as otherwise may be permitted for "service providers" under the CCPA.

   42Gears's obligations regarding data subject requests, as described in Section 8 of this DPA, apply to Consumer's rights under the CCPA.

   Notwithstanding any use restriction contained elsewhere in this DPA, 42Gears shall process Customer Data only to perform the 42Gears Services, for the Permitted Purposes and/or in accordance with Customer's documented lawful instructions, except where otherwise required by applicable law.

   42Gears may de-identify or aggregate Customer Data as part of performing the Service specified in this DPA and the Agreement.

   Where sub-processors process the Personal Data of Customer contacts, 42Gears takes steps to ensure that such sub-processors are Service Providers under the CCPA with whom 42Gears has entered into a written contract that includes terms substantially similar to this DPA or are otherwise exempt from the CCPA's definition of "sale". 42Gears conducts appropriate due diligence on its sub-processors.
