# Secure, Manage, and Optimize Your Zebra Mobile Computers with SureMDM

Zebra Devices + SureMDM = Improved Frontline Productivity

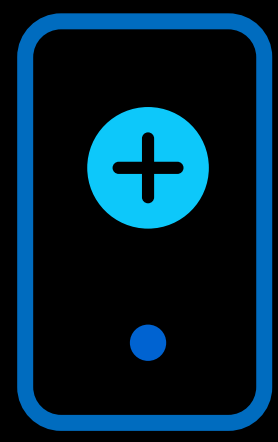

## The Ultimate Management Solution for Zebra Mobile Computers

Zebra rugged mobile computers power your frontline operations with rugged durability and versatility, designed to perform in the toughest environments. SureMDM by 42Gears enhances these devices, providing a comprehensive management solution that ensures security, efficiency, and seamless adaptability. As a Zebra PartnerConnect validated solution, SureMDM integrates effortlessly with Zebra's mobile ecosystem, from warehouses to retail floors, helping your business achieve peak performance.

# Features Tailor-Made for Zebra Mobile Computers

Gain access to tools to deploy, manage, and support your Zebra handhelds, tablets, and wearables throughout their entire lifecycle.

## Rapid Deployment, Zero Hassle

Enroll Zebra devices in minutes using tools like Zebra StageNow integration. Push apps, policies, and configurations effortlessly—on day one and beyond.

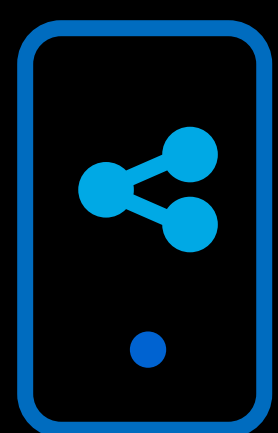

## Unbreakable Security

Lock devices to kiosk mode, customize workflows, and eliminate distractions. SureMDM ensures your Zebra rugged mobile computers are secure and focused on productivity.

## Built-in Remote Control

Diagnose and resolve issues instantly with real-time screen mirroring and touch control, minimizing downtime.

## Shared Device Mode

Enable multiple users to share devices with separate work profiles and session PINs for seamless shift-based usage.

## LifeGuard Update Support

Keep devices updated and secure with seamless firmware and OS patch management.

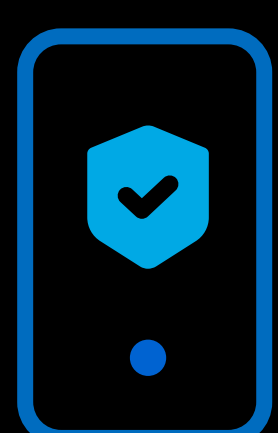

## Indoor Location Tracking

Monitor device locations within a facility such as inside the warehouse building in real-time for improved operational visibility.

## Zebra Printer Management

Simplify setup and management of Zebra printers for maximum uptime and quality printing.

## Zebra OEMConfig

Leverage Zebra-specific configurations to optimize device performance.

## Zebra VisibilityIQ™ Integration

Gain actionable insights to optimize fleet utilization, streamline operations, and maximize ROI on Zebra devices.

---

# Empower Your Operations with SureMDM

Maximize Efficiency for Your Zebra Mobile Computers

## How SureMDM Helps You Stand Out

### ✓ Amplify Operational Efficiency

Reduce downtime and boost productivity with proactive monitoring, instant updates, and simplified management tools, keeping your Zebra mobile computers mission-ready.

### ✓ Slash Management Costs

Replace manual processes with a single, scalable platform. SureMDM saves time and resources across your entire Zebra device fleet.

### ✓ Stay Ahead, Always

Future-proof your investment with a solution validated by Zebra, designed to adapt to evolving workflows, market demands, and security needs.

---

## A Partnership That Delivers
